Joan, I'm looping in the Commissioner and Deputy Commissioner of Reclamation, Estevan Lopez and Lowell Pimley, and the Deputy Director of USGS, Mark Sogge, as well as Max Etheridge, as your initial points of contact. They can work to get others engaged as necessary.

thanks, Lori

Lori, thanks again for all of the great assistance this weekend. We hope to get your agencies (BOR and USGS) plugged in directly to our Unified Command in Durango. What's the best way to make that happen?
